To Assistant Secretary:-

The temporary posts of Labour Officers have been declared as 'Technical' for the purpose of selection of candidates by the Madras Public Service Commission and the programme of selection to the posts is the same as prescribed for direct recruimtment & and recruitment by transfer to the posts of Director of Cinchona, Curator of Madras Record Office, etc. in the Madras General Service in Annexure to G.O. No. 751, Pub. (Ser), dated 29.4.48. The Commissioner of Labour has been asked to submit an estimate of the number of candidates to be selected by the Madras Public Service Commission by direct recruitment by transfer by the 10th August of each year. With reference to the orders in para 15 of G.O. No. 751, Pub(Ser.) dated 24.3.48, the Government as the appointing authority in the case of Labour Officers have now to send to the Madras Public Service Commission an estimate of the number of candidates to be selected for appointment by direct recruitment for a period twelve months from the last week of February 1949. & the 10th November of each year and by recruitment by

2. The C.L. says that the estimate of the number of candidates to be selected for the year 1948-49 is eleven and for the year 1949-50 two, if the posts of Labour Officers at Coimbatore and Madras are to be held by outsiders. The Madras Public Service Commission has already been asked to select 11 candidates for the year 1948-49,. As regards the estimate for the year 1949-50 the post of Labour officer at Coimbatore is now held by a Deputy Collector and it has not yet been decided to replace him by a direct recruit or by a person other than Deputy Collector to be recruited by transfer. The contract of Mr. Feletcher, the Labour Officer at Madras, expires only in December 1949. Therefore there does not appear to be any necessity to ask the Madras Public Service Commission now to select two candidates for the year 1949-50. If necessary this may be done in August 49 selecting candidates for appointment by transfer or in December 1949 when the Madras Public Service Commission have to be addressed ~~for 1949 when the M~~ for selecting candidates for appointment by direct recruitment. & when the Madras Public Service Commission has to be addressed for
